

EPILEPSY SEMINAR

9.30 am – 12.30 pm

Friday 31 January 2014

**Main Conference Room, Pentland House
47 Robb's Loan, Edinburgh EH14 1TY**

This seminar will provide an update on Epilepsy with talks on diagnosis, treatment, how to recognise and describe seizures, first aid and management of the acute seizure, epilepsy protocols and risk assessment.

It is aimed at all Learning Disability professionals who work with people with epilepsy, aiming to improve their knowledge and confidence in managing epilepsy.

There is no charge for this Seminar but booking is essential as numbers are limited. To book a place, please contact:
