

# 'Let's Get Personal'

A Conference on Self-Directed Support and BME Communities

10.30am - 4.00 pm, 14th May 2014, Edinburgh

Presented by MECOPP (Minority Ethnic Carers of Older People Project) and LCiL (Lothian Centre for Inclusive Living), the day will provide an opportunity to learn from leading practitioners with a mixture of interactive workshops and real stories and experiences from BME disabled people.

This Scottish National Conference will

- enhance your professional practice and improve SDS development planning.
- increase your knowledge and understanding of accessible SDS information and support.
- enable you to learn about creative approaches to making Individual Budgets work for people from BME communities.
- assist you to make your organisation more inclusive.
- increase your understanding of the potential of SDS to better engage and meet the needs of BME communities.

Full conference programme and speakers to be announced.
