

Edinburgh Health and Social Care Partnership

Integrating Edinburgh's Health and Social Care

• EDINBURGH •
THE CITY OF EDINBURGH COUNCIL

Working together for a caring,
healthier, safer Edinburgh

The three month public consultation on the Edinburgh Health and Social Care Partnership's draft Strategic Plan and Joint Strategic Needs Assessment has commenced and will end on 31/10/15. The Strategic Planning Group, which is overseeing the consultation, is keen to hear from staff as well as from other citizens, communities and stakeholders.

The consultation will also take place through a range of existing forums and a number of workshops that have been organised:
