Our rights, our future

What positive progress has been made?
What should be done to make more progress?
What should be the priorities?

Are you a disabled person or someone with a long-term condition living in Edinburgh?

Come along and share your views on how well the United Nations Convention on the Rights of Disabled People is being used. We will use what you tell us as part of the report we send the United Nations from Scottish disabled people.

Please Note: if you will be at Inclusion Scotland's AGM (30 September) we will ask your views then – you do not need to come to both events

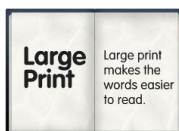

If you cannot come along but would still like to have your say, please email rosalind@inclusionscotland – she will tell you how to give your views.
