

You are invited to a  
**Winter Coffee Morning!**

**Come along to find out about a new venture we are developing for  
and with the people of South Queensferry!**

We would like to explore, with your community, ways that local  
people might come together to create really **fantastic support**  
networks for people who need it.

This venture will lead to more **fulfilling, connected lives** for  
people who may be feeling isolated, bored, or anxious about the  
future. And it will mean **job opportunities** for local people to become  
support staff.

This **FREE Coffee Morning** will be an opportunity to hear a bit  
more about our ideas, get into conversation about what would be  
most useful locally, and enjoy some festive treats with a tea or coffee.

**Saturday 9th December 2017, 10am—12 noon**

(We'll start the discussion at 10.30am).

**At The Haven, 25 Burgess Road,  
South Queensferry**
