**"LCiL works with disabled people to take control of their own lives, support their choice to take up their rights and enable their full participation in society"**

## **1. The Aims of LCiL**

The main aims of the Lothian Centre for Inclusive Living are: -

- ✓ Provide a range of services to support Independent Living, developed and managed by and for disabled people.
- ✓ Support the right for disabled people to live independently and take control of their own lives
- ✓ Provide the opportunity for disabled people to further their own personal and professional development
- ✓ Challenge the attitudes, and the physical and social barriers that create disability

## **2. Background**

LCiL has its origins in the work of the Lothian Independent Living Group (LILG), a consumer group of disabled people, and the Lothian Coalition of Disabled People (LCDP), the former Lothian wide campaigning organisation for disabled people. Both groups were concerned with equality for disabled people and subscribed to the Independent Living philosophy. In 1989 LILG and LCDP recognised the importance of establishing an organisation that would provide a range of services based on needs directly identified by local disabled people, that would adhere to the social model of disability, and that would be directly accountable to disabled people.

Three people had already convinced Lothian Region Social Work Department that they should be given money directly to employ their own Personal Assistants, and were operating their own independent living schemes as a pilot. At the same time, they (and other people) were inspired by the work of CILs in Hampshire, Derbyshire and abroad, and were determined to set up a similar organisation in Lothian. LCiL would become the first organisation of its kind in Scotland, with a basis firmly rooted in the national and international disability movement.

### **3. The Operation of LCIl**

#### **The Company and the Board**

The Lothian Centre for Inclusive Living operates as a charitable company with limited liability. There is a membership and an elected Board of Directors. The Board sets the framework and strategies of operation and development of the Centre. The staff are employees of the company through the Board of Directors.

#### **Operations Team**

The operations team consists of the:

- ▶ Chief Executive (F/T)
- ▶ Office and Human Resources Coordinator (F/T)
- ▶ Fund Raising Development Coordinator (P/T)
- ▶ Administrator (F/T)

#### **4. Key Tasks**

LCiL, through its staff and under the guidance of the Board, aims to carry out key tasks in pursuit of its overall objectives. In short, these tasks are:-

- ✓ To provide information, and support to disabled people to enable them to set up their own independent living packages.
- ✓ To provide training on relevant topics which will enable disabled people to gain the skills and confidence to make informed decisions about their life style
- ✓ To offer training on Disability & Independent Living issues which can inform good practice of other organisations and enable them to comply with relevant legislation
- ✓ To provide a payroll service for disabled people who employ their own support staff.
- ✓ To provide training opportunities to those wishing to be employed as personal assistants.
- ✓ To provide an accurate, up to date and accessible disability information service.

## **5. Location of Services**

LCiL's main office is located in Norton Park, a building which houses over 20 other voluntary organisations.

## **6. How is LCIl funded?**

- influence local SDS policy and practice. Including working in co-production with local authorities and pro-actively engaging with local authorities and other agencies while involving disabled people, people with long term conditions and their supporters.

As part of the SDS development programme LCiL has developed a **Champions programme**, which has trained and equipped a group of disabled people, people with long-term conditions and carers as Champions who promote understanding of Independent Living and SDS, and raise the profile of LCiL and Disabled People's Organisations. The Programme Coordinator co-ordinates the Champions.

Each of the nine Champions has a Buddy who is a member of LCiL staff and who supports them to carry out their role. Champions meet together regularly to share learning and have formed a strong peer support group. During its first year of operation the programme became an integral part of LCiL and has been instrumental in influencing how SDS is implemented.

A video has been made showing how the programme was set up and the outcomes during the first year:

# Payroll Service

## Why do I need a payroll service?

If you're a disabled person employing your own Personal Assistants (PAs), or you're managing PAs on behalf of someone else (your parent or partner, for example) you are an employer and have responsibilities as such.

Your funding for support, whether it's from your local authority as a direct payment and/or the Independent Living Fund Scotland (ILFS) require you to ensure that the correct amount of taxes, national insurance, pension contributions etc. are deducted from your employee's wages.

LCiL's payroll service can help you with processing wages and getting set up with the administration for dealing with PA timesheets, taxes, pension auto-enrolment and more.

## How can I get in touch and find out more?

You can call us, Monday to Friday 10am-4pm on 0131 475 2350, email [payroll.team@lothiancil.org.uk](mailto:payroll.team@lothiancil.org.uk) or write to us at Payroll Service, LCiL, Norton Park, 57 Albion Road, Edinburgh, EH7 5QY.

You can also visit our website for more information, [www.lothiancil.org.uk](http://www.lothiancil.org.uk)

Information is available, on request, in a range of formats including large-print, braille and audio.

## What's the difference between LCiL's payroll service and other payroll providers?

While all payroll providers should offer the services listed elsewhere in this leaflet, and in some cases a Financial Management Service too, our payroll service is part of LCiL, a registered charity working specifically with disabled people, people with long-term conditions and older people across Edinburgh and the Lothians.

Lothian Centre for Inclusive Living (LCiL) is a Company Limited by Guarantee. Registered in Scotland 129392. Accepted by the Inland Revenue as a Charity SC/017954

We take a person-centred approach to support people to take control of their own lives, participate fully in society, to be more in control and to live more independently.

This approach is central to LCiL's ethos, including our payroll service.

While we're happy to deal with your support by phone and email, we can also meet face-to-face at our offices in Leith or at your home, no matter where you live in the Lothians.

We put you first and tailor our support to your needs.

"I met a payroll officer who went through the processes on a one-to-one basis with me. They have dealt with, amongst other things, any tax issues I have had, the intricacies of maternity leave and promptly corrected any errors I've made when submitting my timesheets. This has been done quickly and smoothly by a team who recognise you as an individual and treat you as such"

(From LCiL 2016 Survey)

### What services do you provide?

Our basic payroll services provides; timesheets to record the hours your employee(s) work, salary processing, calculating payments to your employees including statutory payments, we can help you to work out your employee's holiday entitlement, assist you in completing all relevant paperwork including online end of year tax returns, register you as employers with Her Majesty's Revenue and Customs (HMRC) and deal with all correspondence from them, processing HMRC payment submissions, processing statutory payments, dealing with payroll related enquiries from regulatory bodies, calculating and process pension auto-enrolment, processing redundancy payments and back pay and implementing any updates to payroll-related legislation.

## What is a Financial Management Service?

If you need a little extra support with financial management, this service tailored to your individual circumstances may help. Your direct payment or ILFS funding is held in a bank account in your name, managed by LCIl, and we make payments on your behalf to PAs, agencies and other service providers and complete financial returns to your funders on your behalf. Even if you're not a PA employer, the FMS service can help you manage your direct payment finances for respite and other expenses.

## How much do your services cost?

If you are being funded as a PA employer by East Lothian Council, Midlothian Council or West Lothian Council the local authority will fully fund the cost of our payroll service and may, depending on your individual needs, also fund a Financial Management Service. This is also the case if you are solely funded by the ILFS.

If you are funded as a PA employer by the City of Edinburgh Council, they have a framework of payroll providers of which LCIl's Payroll Service is one. They will fund up to £9.30 per four weeks for a basic payroll service and £9.90 per four weeks for FMS (if approved). Therefore if you wish to use LCIl's payroll service, you may be required to fund the difference from a personal contribution, depending on the nature of your direct payment. For information on the other payroll providers, contact your social worker.

For those privately funding their payroll services, the cost of LCIl's payroll services are;

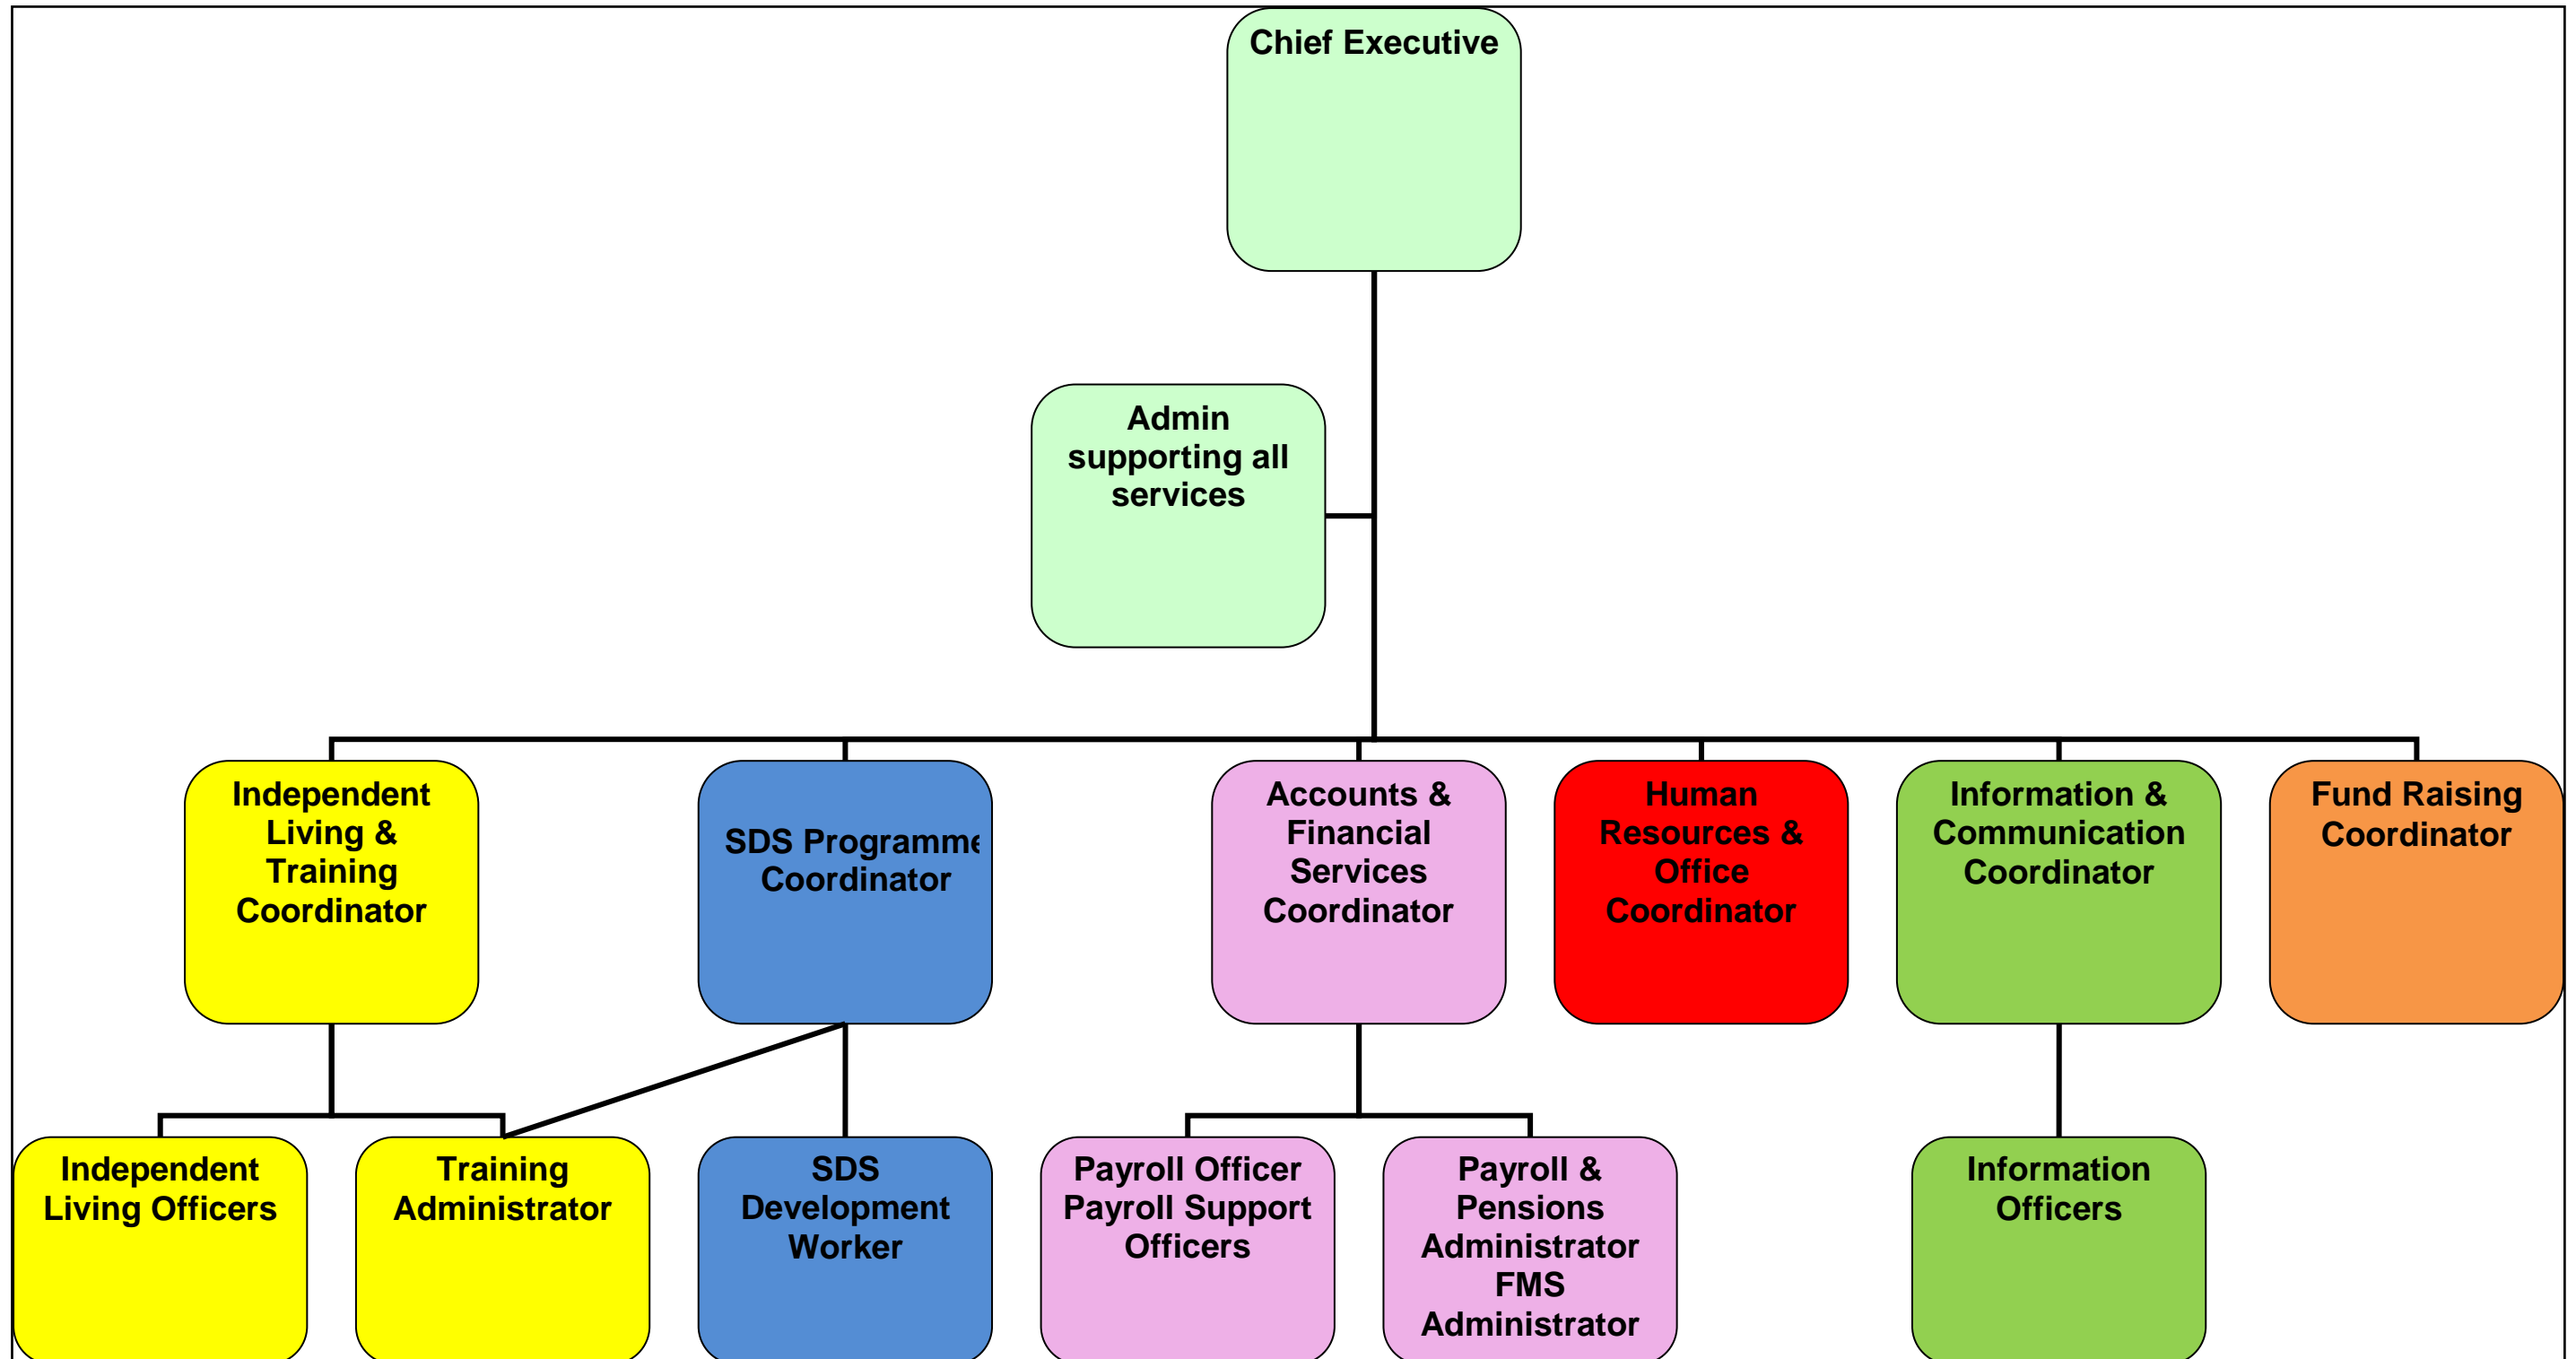

- Basic payroll. £25.85 per four weeks, irrespective of how many PAs you employ
- Financial Management Service. An additional £14.30 per four weeks if you are also using a basic payroll service or a standalone charge of £14.30 if it is for non-payroll usage (i.e. paying agency invoices)
