

## Physical Disability Strategic Commissioning Plan- Citizens Forum

Hello

I wanted to ask for your support with a project that I am currently working on.

**There is a Physical Disability Strategic Commissioning Plan currently being developed.**

It is important to have input from people with lived experience agreeing the key themes of the Strategic Commissioning Plan.

A Citizens Forum will provide the opportunity for people to participate in developing the key themes and related services to support the Strategic Commissioning Plan.

The Citizens Forum will act as a 'checkpoint' where information can be shared and linked back to the Reference group.

I am in the process of setting up a Citizens Forum which will include a range of people with something to contribute. I intend to facilitate a number of forum meetings across the City of Edinburgh at various venues.

**Wednesday 1<sup>st</sup> May**

**1.30-3.30pm**

**Inch House Education Centre**

**225 Gilmerton Road, Edinburgh Eh16 5UF**

**Your participation in this session would be greatly appreciated.**
