

People First (Scotland) belongs to all Scottish citizens who have a learning disability.

On September 5th and 6th we are having a conference for young people.

The conference is at Pollock Halls in Edinburgh.

Meals and refreshments during the conference will be provided.

Overnight accommodation will be provided at Pollock Halls.

You can arrive on Thursday the 5th September from 2pm to check-in to your room. We will help you to do this.

The conference will start with an evening meal on Thursday night at 7.15pm at Pollock Halls.

We will then have the whole day Friday 6th of September for conference activities like workshops, discussions and fun.

We will finish by 4pm on Friday and then everyone will head home.

The cost of all that, as well as reasonable travel to get to the conference and back, will be paid by People First.

We expect that there will be places for everyone who wants to come.

If you are interested in coming to the conference we need to be in touch with you again after today.

We need you to give us some details so that we can do that.

There is a form on the next page where you can give us your details.

You can post the form to People First:
