Below is a summary of some news items:

Cold Weather Payments

The cold weather, which gripped parts of the country, has left some people asking if they will receive Cold Weather Payment/s. Cold Weather Payments are payable to those receiving certain means tested benefits when the weather drops below zero degrees Celsius for more than seven consecutive days in your area. Cold Weather Payments should be automatic for those eligible already. However, there are some circumstances e.g. people who have children under five and in receipt of means-tested benefits, where you may have to inform the agencies below.

Area checker for Cold Weather Payments: <https://www.gov.uk/cold-weather-payment/eligibility>

If you do not receive your Cold Weather Payment inform the Pension Service on 0800 731 0469 or Job Centre Plus 0800 169 0310. If you are getting Universal Credit, contact the helpline instead on 0800 328 9344

Personal Independence Payment (PIP update)

At the end of January, the Department for Work and Pensions (DWP) decided not to challenge a court ruling that said changes to Personal Independence Payment (PIP) were unfair to people affected by mental health problems.

Last year, the DWP went ahead, despite widespread criticism, and changed the descriptors for the mobility component of PIP. Specifically in relation to Planning and Following a journey, removing grounds for people to receive the enhanced rate of the mobility component if they were unable

to travel independently on the grounds of psychological distress, as opposed to other conditions.

Estimates now suggest that around 220,000, could have lost out because of this change, and may be entitled to more money under PIP. The DWP are now conducting a review of existing information they hold and have stated they will contact the claimant and/or their doctor if they require more information about a claimants award for PIP.

Meantime the Minister for Disabled People, Health and Work (Sarah Newton) stated in the UK Parliament: “the individuals affected, and all payments will be back-dated to the effective date in each individual claim...and there will be no face-to-face reassessments of awards.”

(See source: <https://hansard.parliament.uk/Commons/2018-01-30/debates/F35E85CB-FF67-467E-AD63-1C13EB1EC32B/PIPBackPayments>)

Grapevine can assist people living in Edinburgh with their PIP forms based on our available appointments. We strongly suggest anyone going through the PIP process attempt to gather recent and consistent evidence to support their claim form, as this tends to help at assessment stage. Examples may include:

- ✓ Letter of diagnosis
- ✓ Letters summarising condition(s) from doctor/nurse.
- ✓ Prescription list
- ✓ Pictures of conditions
- ✓ Current Occupational Therapy (OT) reports
- ✓ Current OT letter indicating use of aids
- ✓ Evidence from support workers
- ✓ Special Needs report
- ✓ Current Psychiatric reports
- ✓ Current Carer’s assessments

If you or someone you know lives in Edinburgh and requires further information and advice in relation to their PIP claim please contact Grapevine on 0131 475 2370 (Mon-Fri, 10am-4pm) or email: grapevine@lothiancil.org.uk

Devolved benefits for Scotland

Control of certain disability and carer benefits, including Personal Independence Payment (PIP), Disability Living Allowance (DLA), Attendance Allowance and carers allowance, will eventually be devolved Holyrood for Scottish claimants.

At present, the Scottish Social Security Bill is making its way through The Scottish Parliament. Estimates suggest Scotland's social security system will be in place, delivering and administering these benefits by 2021.

A recent Scottish Government publication, 'About Your Benefits and You', reported on the experience of benefit claimants and found:

- More than half (60 per cent) of respondents rated their experience of the current benefits system as 'poor' or 'very poor'.
- 18 per cent rated their experience as 'good' or 'very good'.
- Majority of respondents (71 per cent) listed 'advice and support about claiming' as a priority for Scottish Government to improve in the new social security system.

As the Bill progressing through the Scottish Parliament Grapevine will be sure to keep our readers posted on developments (**please see pages 1 and 2 to make sure you continue to receive our newsletter**).
