

# Community Connections

Connecting Disabled People, those with long term health conditions and carers to peer support focused on all areas of social care

The Gateway  
Bathgate

**Our peer support groups provide a safe space to connect with others through shared experiences with the aim to strengthen knowledge, skills and confidence in all aspects of Self-Directed Support (SDS) and available social care options.**

**The sessions are welcoming, relaxed and informal. We focus on bringing people together to discuss the aspects of SDS that matter to them.**
