

Community Connections

Connecting Disabled People, older people, those with long term health conditions and carers to peer support focused on all areas of social care

Online via Zoom

Our peer support groups provide a safe space to connect with others through shared experiences with the aim to strengthen knowledge, skills and confidence in all aspects of Self-Directed Support (SDS) and available social care options.

The sessions are welcoming, relaxed and informal. We focus on bringing people together to discuss the aspects of SDS that matter to them.
